

Name: Date:

OCEANS OF THE WORLD

Name the five major oceans of the world.

Identify if the statement is True or False.

1. The largest ocean of the world is the Arctic ocean.

2. Indian ocean is the saltiest ocean in the world.

3. The Southern ocean is the least understood due to its sever climate.

4. Arctic ocean is the smallest and shallowest ocean.

5. Sea cows are mostly found in Atlantic ocean.
