Alex's Occupation

This is Alex. He's a doctor. He's tall. He works at the hospital. He looks after sick people. He gets up at six o'clock in the morning. He takes a shower and puts on her clothes. Then he eats breakfast at half past six.

At seven o'clock, he drives her car to the hospital. Alex starts work at eight o'clock. He goes on patient's visit. Then, he does the routine checkup. At twelve o'clock, he has lunch. He goes home at five o'clock. At home, he takes a shower and he cooks dinner. He has dinner at half past six in the evening. Then, he watches TV. At ten o'clock, he goes to bed.

Read the passage above and answer the questions below.
